

Although much progress has been made, and many people have been vaccinated, the corona virus continues to circulate. The experts are saying most people with COVID 19 have mild to moderate symptoms. However, they still caution that older adults or people with existing chronic medical conditions are at greater risk of becoming seriously ill with COVID-19. For this reason the Board has decided not to have any face-to-face meetings that include the serving of food.

Unfortunately, this includes the Annual Holiday Luncheon which is traditionally held in December. We are happy to announce, however, that we will have our Annual Meeting of the general membership on Thursday, October 27, 2022, at 10:00 a.m. at the Double Tree by Hilton, located at 5801 Southfield Service Drive and Ford Road.

The meeting room is large enough to accommodate social distancing, and although the hotel does not require the wearing of a mask, we encourage all who attend, regardless of vaccination status, to wear a facial mask while in attendance at the DRCEA Annual Meeting. Also, please note you must be current on your dues to attend. We look forward to seeing you on Thursday, October 27th.
