

DRCEA Event Cancellation Notice

2022 Annual Summer and Annual Holiday Luncheons

Although much progress has been made, and many people have been vaccinated, the corona virus continues to circulate. The experts are saying most people with COVID 19 have mild to moderate symptoms. However, they still caution that older adults or people with existing chronic medical conditions are at greater risk of becoming seriously ill with COVID-19. For this reason, the Board has decided not to have any face-to-face meetings that include the serving of food. Unfortunately, this includes this year's Annual Summer Luncheon (July 2022) and the Annual Holiday Luncheon (December 2022), both have been cancelled.

We hope to resume luncheon events in 2023.
